## LABOR MEN THREATEN REVOLUTION IN A **TELEGRAM TO WILSON**

Clifton, Ariz., Aug. 6.-A telegram to President Wilson asking what action he intended with reference to the deportation of 1,200 alleged members of the Industrial Workers of the World and their sympathizers from Bisbee, was sent today by the Arizona State Federation of Labor, in convention here. John L. Donnelly, president of the Federation, declared the deportation was a "beckoning finger to revolution."

## Crews of Seven Sunken Vessels Landed in U. S.

An Atlantic Port, Aug. 6.-The crews of seven vessels, six of which were sunk by German submarines off the Azores Islands, were brought here today by a French steamer which took them on board at a port of call on her voyage from Europe.

The seventh vessel was abandoned and went down after she had sprung a leak in rough weather. She encountered no submarine, according to the

The captain of one ship said that his vessel carried eleven locomotives of large size intended for the use of French railroads which American engineers are constructing behind the battle lines in France.

The procedure of the Germans was the same in all cases, according to the crews. The vessels were stopped, Rampant in Mexico crews. The vessels were stopped, boarded by the submarine commander, and the men ordered to the lifeboats after which mines or bombs were officials here learned today that placed in the ship and exploded. Then the submarine towed the lifeboats a few miles toward shore and gave them Francisco Murguia, commander of the the right direction before submerging.
